Celestia Finish

IT

Celestia Finish è una finitura trasparente che conferisce alla parete un piacevole effetto tattile, con un effetto leggermente "satinato". Si applica in due mani con rullo a struttura fine, su fondo preparato con due strati di Novalux E colorato.

EN

Celestia Finish is a transparent coating that gives to the wall a pleasant tactile effect, with a slightly "satin" look. It is applied in two layers with thin roller, on substrate prepared with two layers of Novalux E tinted.

FR

Celestia Finish est une finition transparente qui confère à la surface un agréable effet tactile, avec une finition légèrement «satinée». Celestia Finish s'applique en deux couches avec rouleau à structure fine, sur fond préparé avec deux couches de Novalux E teinté.

DE

Celestia Finish wird in zwei Schichten mit einer fein strukturierten Walze auf die Wand aufgetragen, die mit zwei Schichten farbigem Novalux E vorbereitet wurde. Celestia-Finish ist ein transparentes Finish, das der Wand einen angenehmen taktilen Effekt verleiht, mit einem leicht satinierten Finish.
